Antichrist Is Alive Today: The Vision of Mama Domitila!

In 1968, a young woman by the name of Mama Domitila died four days and was taken to heaven by two angels. Eleven companions were with her when this took place and the Lord spoke to them that they should not bury her body. The Lord promised that He would bring her back to life. For four days, Mama Domitila was shown the glories of heaven and New Jerusalem. She was also shown hell and end times including the rapture of the church and antichrist. The excerpt here below is from "Raised from the Dead 4 Days Later", a book coming soon. Please read, share and forward to all.

Standing with me were the Lord Jesus and two angels. They took me away and showed me the coming of our Lord Jesus Christ to the earth. The Lord spoke to me and said: "My people are not ready for my coming. They say that prophecies have not been fulfilled yet, that they still have time!" But He said to me "Many prophecies have been fulfilled, they have been happening but my people do not know. I want to prove to you however that many prophecies have been fulfilled. That though they say that they are still waiting for antichrist, I want to show you that anti-christ has already been born! He is alive on earth today." [that was in 1968 saints!!!]

He showed me a beast that looked like a lion. I saw also a great sea. A great red sea. But by the sea shore, there was a great dreadful beast. This beast was buried in the ground from the waist down. I looked alas, and this beast bent down! He gave birth. When the beast gave birth, behold the child who came forth looked like a human being. I was shocked to behold this scene: a beast giving birth to a human child!

While I was still standing in amazement, I saw that this beast again bent down. I saw that he was breathing his breath into the born child. As a new breath entered into the child, I saw that this child started growing in my very own eyes. He grew to become an adult in my very own face. I was so scared. How can someone be born and grow at the same time?

All of sudden, I saw that this child was no longer a human being. In a very short moment, he was transformed into a serpent. But this serpent was not just a serpent either, when I looked again, behold I saw he had 3 different colors: White like pure white color, red and black.

He asked me "Do you have an understanding of all of these?" I said, "My Lord, I do not know." He told me "I want to show you how the antichrist has been already born. Do you see that beast which gave birth? This is to show you that the antichrist was already born. But his father is not a beast. This beast is an image signifying that he was already born by means of an evil spirit. That

beast represents the evil spirit. The way you saw the beast breathing into him, and how he grew up to become an adult in one moment, this is to show you that antichrist has already been born. He was born through an evil voice. The evil spirit gave him power to work. Antichrist is already alive and he is supported by powerful people who are compared to that breath.

The way you saw him transformed into a serpent, this represent that antichrist will look like other people, he is a person. He is walking today like others, speaking like them, working like them. He is not revealed yet, and you cannot know him. He is very intelligent. That's why you saw him as a serpent.

The three colors represent this:

WHITE: The day when he start working, he will be crafty like a serpent. The white color you saw means that he will come calling himself a holy man. He will come as a wonderful man; he will do good works that many will appreciate. He will heal the sick. He will give wealth to the poor. He will bring peace on earth. He will resolve many problems. He will come with good works. People will love him above and beyond. He will be great. The only people who will discern him and know him are those only full of the Holy Spirit. The people who are in touch with God, read His Word and have God's discernment will know him.

RED: Though he will bring peace and though he will make many people happy, he will shed the blood of holy people.

BLACK: Though he will come doing many wonderful things, performing great wonders, his end is that he is evil and his evil acts are the worst of all and he will be evil exceedingly.

And He said to me: "And the way you see this beast buried in the ground halfway, that means that antichrist is alive. But he is working in secret. He cannot be unbound and do the works openly on the earth because the church of Christ is still here on earth. He is bound until that day when the church will be raptured. That is the day he will start moving openly and freely. Now you see the red sea which is burning with fire. This is to signify that though antichrist will come with lots of power, though he will do great miracles as he has so much power in his hand, his end however is this: he will be thrown in the lake of fire together with satan and the false prophet. They will be thrown in the lake of fire."

Go and Tell the Church

He told me: "tell the church, tell the people, this is the time to serve the Lord. This is the time to repent. This is the time to receive salvation. This is the time to receive the Word of God. This is the time to treasure this Word in your heart. But the times ahead are difficult times. People will look for the Word of God but they will not be able to find it. People will look for a Bible, but they will read it in hiding. That time has come, that time is near, that time is ahead of you. Seek the Lord while He may be found, this is the time to seek salvation."

Saints of God, this is the time to serve the Lord. But the times ahead are very hard. The times that prophet Amos saw are coming. They will be hard times. From sea to sea, people will be looking for the Word of God but will not find it. "Behold, days are coming," declares the Lord GOD, "When I will send a famine on the land, Not a famine for bread or a thirst for water, But rather for hearing the words of the LORD. And people will stagger from sea to sea, And from the north even to the east; they will go to and fro to seek the word of the LORD,

but they will not find it." (Amos 8:12) That time is near – those who are wise, seek the Lord while he may be found.

The day when the church is raptured, the world will be full of darkness. Darkness will enter the world. We will go as a church but the world will be full of darkness. We are the light of the world. The day the church will be raptured, the world will be full of darkness. Be full of the Holy Spirit oh, saints of the Most High God. Those who are not full the Holy Spirit will not hear the trumpet sound. *"For the Lord Himself will descend from heaven with a shout, with the voice of the archangel, and with the trumpet of God; and the dead in Christ shall rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air, and thus we shall always be with the Lord."*

(1 Thessalonians 4:16-17)

He told me – go tell the church, go tell my people: this is the time to seek the Lord. This is the time to seek salvation not the things of this world.

For those who will be left behind: Never take 666: The Mark of the Beast! There is NO forgiveness, NO salvation, NO hope and NO second chance for anyone who receives the mark of the beast! (Revelation 14:9-11) Pass It On. This is an important message for those who will be left behind!
