

2010, The Turning-Point Year

- By Vincent Selvakumar

The Bible says, “*Surely the Lord God does nothing, unless He reveals His secret to His servants the prophets. A lion has roared! Who will not fear? The Lord God has spoken! Who can but prophesy?*” (Amos 3:7-8). At a New Year Service televised live to the whole world on Angel TV it pleased the Lord God to reveal through His servant, Vincent Selvakumar, concerning the things to come in 2010.

## THE YEAR 2010

This is a year of “turning-points.” You will see many turning-points in this year. turning-points will occur in churches, ministries, politics, and in society. This is a year filled with many turning-points which will be for good and bad. You must get ready to meet these turning-points. Prepare yourself also to enter into the turning-points that will come upon your life.

## INDIA

The spirits of division have begun to descend upon India. Voices crying all over the country for division are going to arise. Such cries are going to arise in every state and in every district. People are going to be divided communally. These are the works of wicked spirits that have risen from hell. These spirits desire to cause havoc in the land. As a result you are going to see communal wars. People will be raging with murderous attitudes. Blood is going to flow like rivers in many places. Ethnic groups are going to rise up against each other.

People are going to be divided along linguistic groups. This is going to rage throughout the land. These spirits have surrounded borders of the land. The voices crying for division are going to arise. It is going to arise in an alarming manner like you have never seen before. Many states in India are going to lose their peace and their sleep. Many politicians are going to be kidnapped. Some politicians will even be killed. Terrorism is going to be let loose in the land. The powers of division are going to arise greatly in the land.

**\*PRAY:** *The Lord commands us to weep and pray against these works of these evil spirits. The Lord asks: “Who is there who shall weep for his nation? Who is there who shall weep with tears like rivers? Arise intercessors!”*

War is looming around the borders of India. War is being prepared on two fronts. India is going to be attacked by forces from outside the nation as well as from forces from within the nation. The nations who desire to attack India are making cunning plans. These enemies have infiltrated into the land. They have even won many sympathizers within the land. When the enemy comes from the outside to attack the land the forces from within the land will then rise up to attack within the land. India is going to tremble.

**\*PRAY:** *For the safety of the nation to be protected from evil rogue nations with vested interests.*

## DEVELOPING NATIONS

These spirits of division have also begun to descend upon developing nations. Many powers of division are going to work in these nations. As a result the developing nations’ progress is going to get hindered. Poverty and famine are going to arise in these nations. Many financial disasters are going to manifest in these nations.

**\*PRAY:** *The Lord wants an army of intercessors who will stand in the gap to weep and pray to arise. Weep with tears like rivers. Warn the people concerning these dangers to come.*

## A NEW LEAGUE OF NATIONS – BREEDING TERRORISM

There is a fierce people group. It is always resisting against the Lord. It is the spirit of the false prophet. It has deceived a large people group as spoils for itself. Through it a reign of terror is going to let loose in the nations of the world. It is also resisting against the people of God. It desires to shed a lot of blood. This fierce people group is an abomination in the eyes of the Lord.

This fierce people group has now spread themselves in many nations. Many nations belong to it. These nations have planned to do a thing collectively. As there is a United Nations, likewise these nations are going to form a league. This League will seek itself to be greater than others. For this reason they are going to send terrorists into many nations. Terrorism is going to let loose in **USA**, **UK**, and in many nations in **Europe**. Preparatory works for these are going on in secret.

Many business corporations, banks, and huge industries are going to collapse. By reducing the financial powers of the established nations this fierce people group will seek to form and strengthen their league. To raise this league quickly this fierce people group is speedily laying the foundation works.

This people group is now eyeing India. They are seeking to capture India. They are thinking that India belongs to them. They feel that since they had occupied India once upon a time they should now repossess India. In the days to come terrorism is going to be let loose in India. Terrorists have earmarked the most important cities of India. The attacks which are going to be launched upon India will be disastrous; nothing compared to anything in the past. Many buildings are going to be destroyed.

**\*PRAY:** *Therefore the Lord is asking us to pray for our cities.*

This evil group is making plans to destabilize India financially. They are also going to destabilize many other nations. They are going to bring counterfeit money into the nations. They are planning to bring economic disasters to many nations.

**\*PRAY:** *That their efforts will be thwarted from the fetus stage of their plans. Pray that God will send confusion into their camps.*

## **EUROPE**

As the nations of Europe are united economically this fierce people group too has planned to industrialize their nations. Therefore they have now focused on Europe.

**\*PRAY:** *People living in Europe, the Lord is calling you to pledge yourselves to pray for Europe. Pray for the protection of Europe's borders. Pray that God may station His angels all along the borders of Europe. Pray that the feet of this evil group should not enter your borders.*

## **THE CHURCH**

A dangerous false teaching is going to come forth from the North and from the West. It will be bringing drowsiness to the hearer. The eyes of those who hear this teaching will become dim from understanding. As a result they will not realize what they are doing. It is going to spread speedily. These false teachers will discard the word of God and speak that which comes forth from their own heart. They have been preparing themselves for nine years. They are going to go forth from this year. They will go into every nation. This dangerous false teaching is going to come into many churches.

This teaching will cause division between children and their parents. Those who give heed to this teaching will become spiritually blind. As a result of this teaching a group of people will come to promote a false unity. They will try to use money to lure many churches into this false unity. They are going to rob many poor ministers of God. They are going to provide money to these poor preachers and use them for their gain.

A huge group of deceivers are coming. Though they carry a Bible in their hands yet there are lies in their mouths. There is deceit and guile in their hearts. They are not sent by the Lord. They are sent by their father of lust – Satan. The Lord is counseling us to be wary, careful, and watchful against this deception.

**\*PRAY:** *Pray for the churches. “Ministers of God know your responsibilities. Churches strengthen your borders. Strengthen your foundations further. If you don’t, you may have to lose all things and nothing shall remain in My Hands,” says the Lord.*

However, in the midst of this coming deception God is going to pour out a new anointing that will cause the church to discern the coming deception and to stand against it. You are going to see a new power poured into the church like never before. **Prophets** and **revivalists** shall go forth from the churches. God is going to raise up many servants of God. They will open their mouth and speak for God. They will be simple-minded people. They will not lust after big things. They will close their ears to luxury.

Churches, open your doors to receive this group. As it was in the days of the Apostles so shall it be in these last days. The miracles will be in such a magnitude that no one will be able to refute. The dead will be raised. People will be called back from the shadow of death. The people whom you do not know are going to call upon the Name of the Lord. Many politicians will get saved. Many leaders of terrorist groups will get saved. Many converted terrorists will begin to work zealously for the Lord.

As Saul was changed into Paul so will the Lord use the church to change people. The last days are the days of miracles. The church is going to do greater works than the Lord Jesus. The days have come for this new breed of people to arise. That is why Satan is sending forth his deceivers to prevent this group from rising up. When the Lord was preparing Moses in Midian Satan was also preparing his magicians in Egypt. As God gave power to Moses to turn his rod into a snake so were the magicians trained to do the same thing. God is preparing to raise His people. Likewise Satan is also preparing to raise his people to make the people of God feel that their dedication is nothing compared to Satan’s company.

**\*PRAY:** *Before this evil company rises up, pray for the fulfillment of God’s promises. The Lord is commanding us to pray for this company to rise up soon.*

## NATURAL CALAMITIES

The seas are going to roar again. Angels of God are assigned to shake the seas. The catastrophe that the world saw during the 2004 tsunami was small. At the same time many nations are going to experience tsunami triggered devastations. It may or may not take place this year, but it will shortly take place. The force of the waves will be greater than the 2004 tsunami. Many islands are going to disappear. Many cities and villagers are going to sink into the seas. God is going to hand them over. Before that God is calling people to repent.

**\*PRAY:** *That those evil days may be shortened for the elect’s sake.*

Seven different kinds of **diseases** are going to come in this year. Some of them are going to come forth from **China** and **Africa**. People are going to die in large numbers. It is going to come with force upon India.

Out of the seven diseases three will primarily attack children. Except for cold temperate nations all other nations will be plagued by these diseases. Many children are going to die. Many feared the H1N1 (Swine flu) virus. But the diseases that are going to come will make H1N1 virus a child’s play.

**\*PRAY:** *Bind the places from which these plagues are going to come from.*

Problems are going to arise from **drinking water**. This is going to take place in many nations. It will first begin from a certain state in USA. Many people are going to die from this strange plague found in the water. New

diseases will emerge from this problem. Many people's blood are going to get corrupted from this plague. Man's heart is going to faint on account of such plagues.

Many **children** are going to die in large numbers. They are going to die in accidents. Many are going to be murdered. Many are going to be kidnapped and killed. Many are going to die from diseases. God is going to use the children in these last days. He is going to use them to put the enemy to flight. The days are soon coming when the Lord is going to use them. Therefore has Satan spread his net to entrap the children. But the Lord will protect the children.

When Moses was born the enemy sought to kill all the children so that the deliverer can be destroyed. Behold God is going to use many children like Moses. The enemy's attacks will begin from this year. Children of believers will be attacked very much. Parents, bring up your children in the fear of God. Keep them under the wings of the Most High God. Only then their lives can be spared.

The smell of fire and destruction is going to arise from many nations in the world. Your eyes are going to see the works of wicked spirits. India and many other nations are going to witness human sacrifices. Many witches and wizards are going to arise. Many people are going to seek and worship Satan. Devil worshippers are going to infiltrate in large numbers into many nations. Dangerous things are going to come. Be watchful.

### **THE LORD GOD REIGNS**

Blessed is the man who waits on God for His power. Blessed is the man who abides in the shadow of the Most High God. Blessed are the people who make their foundation on God. The God who loves His people is also a shelter and strength to them. He is going to do new things through you. Their fingers are going to become as the fingers of God. Their tongues are going to become as the tongues of God. God is going to put His sound in your throat.

God's people are going to rise up like eagles. He is going to cover you with His power and presence. God will be with you throughout the ends of the world. He desires to use you. Do not fear, and look unto the Lord your God who called you. There can be all kinds of calamities befalling upon the nations but God will protect His people under His wings.

None of your hair shall fall to the ground as a result of the coming calamities. God will protect His people. The Lord is the Lord and He changes not. You are going to see new changes in your spiritual lives, spiritual gifts, and in your ministries. You are going to experience a new strength in your prayer life. God has begun to do these new things from this year onwards. Wait on the Lord. You are going to lift up your wings like eagle. Go forth into the nations with the strength of the Lord. It is He who is sending you.

**Thus says the Lord God!**
