

Message from Sadhu Sundar Selvaraj

Prophetic Word for 2011

That is a beautiful greeting in the Indian language. I've been trying for a long, long time trying to translate that into English. It is possible, but it will lack its beauty. See, the word cherengala can be translated "sweet darling". But the word sweet darling does not do any justice to the word cherengala. So I ask all my non-Indian viewers to learn this word cherengala. A blessed new year's greeting to every one of you. It is a great joy to meet all of you in this new year.

A year has passed by. As soon as in the twinkling of an eye, the old year has past and the new year is born. My dear brothers and sisters, this same time last year we conducted our first live new year's service. In all the previous years, the respected prophet of God, Brother Vincent Selvakumar, and I used to conduct this service in his hometown. But last year the Lord spoke to us saying to stop doing those kind of meetings in a very small level but to do it on a worldwide manner. The Lord caused a turning point in our ministry. He said from now onwards. That was from first January 2010, the year of turning points. Before we ever give any words to the rest of the world, we find that it first takes place in our life. So from that year onwards, the Lord Almighty said, from this year onwards the destiny of Angel TV is going to be fulfilled.

You know, in the year 2003 on first January, while I was waiting on God at the stroke of midnight I heard the audible voice of the Almighty God. If you read the book of Revelation, whenever the Almighty God speaks the apostle John writes that it thundered. He said it thundered. Even if you read John chapter 12, verses 26 – 28, the Lord Jesus prays and the Holy Father answered Him. And the Bible says all the people around Him heard as if it thundered. But so what did I hear on that day? The voice of the Almighty God boomed through the entire universe. I shook and trembled like a leaf. It came from all the way from heaven. He said, "This is My channel! Through this I will speak to the whole world." That was the voice of the Almighty God that day. This is not the work of a man.

So from the beginning of December 2005, when this network was born, every now and then we've been telecasting special programs. But a turning point came. First, initially in the year 2008, when we conducted our first telecast of a new year's service. You may have enjoyed the wonderful worship from Reverend Dr Rajan John. His church hosted the first live service. That was our first feeble attempt. Then after in June 2008, when we conducted our first Jerusalem conference, it was televised live. Then came the year 2010. The Lord said, from now onwards the destiny of Angel TV is going to be birthed. That does not mean from 2005 its destiny was not fulfilled. The Lord Jesus was born on first A.D. But He began His ministry 30 years later. It appeared that He entered into His destiny in the year thirtieth.

So, in the same manner, when the year 2010 came with the first new year's service being telecast live around the whole world. You know there are so many live telecasts being conducted from all over the world. What is the difference between those and this program being telecast on Angel TV? One difference. The Lord Jesus said, the Almighty God said, "This is My channel." And He will display His glory.

My respected Brother Vincent Selvakumar and I least expected how it will be fulfilled on that day last year. But the glory of God was manifested in an awesome manner. There was a small live audience in the auditorium that day, and a worldwide community. While the first message about the year's promise was being given, then the second prophetic message was being given, people saw with their naked eyes visions of Jesus Christ on the stage. Many of them caught them on their cellphone cameras. People watching the live telecast on their television sets were amazed when they saw the eyes of the Lord Jesus Christ directly behind us. Some even saw the face of the Lion of Judah right behind us. Some saw the angels of God standing beside us. It was not just

hearsay. All documented on video cameras. People captured those images on their computer screens. It was an amazing thing. From that day onwards, this became a regular feature in our prophetic conferences.

The first January new year service, followed by a prophetic conference in the month of July, another prophetic conference in September, and then another conference in October. In all these conferences that we televised live, people from all over the world testified this same thing over and over again. We saw the eyes of God behind you. We saw the angel of God beside you. We saw the hand of the Lord above you. This is what the Lord Jesus Christ purposed in birthing this network. My dear brothers and sisters, you will read in Revelation chapter 14, verses 6 – 11. That is the mission statement of Angel TV network. The three angels flying in the heavens and proclaiming what is to come. The angels were doing that job. When Jesus Christ first came to this world, angels came to announce.

When He was taken up to heaven, again angels appeared to announce that He's coming again very soon. In like manner, before He comes again the second time, the angels will be physically involved in the proclamation of the prophetic counsels of God. That is why the Lord commanded us or gave the name for this network as "Angel TV".

Even today on the first day of this new year, the Holy Spirit inspires me to tell you, you are going to see the glory of God on this program. In this first section of the promise of God, followed by the prophetic word for the year, God is going to do something extraordinary that we ourselves have not seen in our ministry yet. This afternoon as I was waiting at the feet of the living God, a very high ranking angelic being appeared before me and he said, "When you both stand there to minister the Word of God, I will stand there to give you the words of the Almighty God." If you have faith to believe, if you can humble yourself as a little child. You know, this stage that you see in your homes – you will see the angels of God. You will see the glory of God. And you will see lightnings and thunders coming out. It is the Word of the Lord that the mouth of the Lord has spoken, which His zeal will perform. So get ready. You're going to have an awesome encounter with the living God. Not only on this program now, but from this moment onwards till the entire service ends, you're going to see the awesome power and glory of God in a new manner.

For a long, long time the Holy Spirit is urging and impressing me to tell you something further. If you read Hebrews chapter 12 verse 1, the Holy scriptures tells us that we are surrounded by a cloud of witnesses and they're watching us. Who are this cloud of witnesses? If you read Hebrews chapter 11, it gives a list of all the heroes of the Bible. The entire chapter 11. And when verse 1 begins in chapter 12, the apostle Paul, the author of the book of Hebrews writes, "Since we are surrounded by this huge cloud of witnesses....". They are watching us. Secondly, if you read Matthew chapter 17 and Luke chapter 9, there it records when the Lord Jesus Christ was praying on the mount. He was transfigured and two saints appeared in glory with Him. When Peter opened his eyes, he recognized those two saints in glory through the Spirit and he identifies one of them to be Moses and the other one to be Elijah. And if you read the book of Zechariah, whenever Zechariah has visions of God, he sees an angel come to him. While this angel is talking to him, he lifts up his eyes and sees two other men standing nearby. And the angel tells them, "Listen to what that man is telling you." First, the Bible calls the first person as an angel. But the other person the Bible identifies as a man. Why not an angel? But it says a man. And then if you read the book of Revelation, in chapter 1 the Lord Jesus says that He sent His angel to speak to His servant John. So there it says an angel was sent, but if you read in chapter 21 and in chapter 22, the angel appears to be a prophet. So it is not an angel, but it is a prophet in glory. How do we know that? Because John was about to fall down to worship that angel and the angel tells him, "Don't do this! I am just like you. One of your fellow brethren who is a prophet, your companion in tribulation." He's a special saint. A prophet, and an angel.

My dear brothers and sisters, one final scripture reference for you. If you read Matthew chapter 27, verse 51 and 52, when the Lord Jesus Christ died there was a huge earthquake in Jerusalem and the graves were opened and the saints rose up from the grave, and they appeared unto the city in Jerusalem to all the people. Amazing.

Ponder for a moment. All the Biblical saints whom we admire. All those who had been waiting for the resurrection, it says the graves were opened and they arose from the grave and appeared unto many in the holy city.

As we get nearer to the coming of the Lord Jesus Christ, the veil between the spiritual world and this natural world will become so thin and then it will disappear. And our eyes can then behold visions beyond the veil. This is something wonderful that is going to happen in the body of Christ from this day onwards. What a blessed day today is. What a blessed year this year is going to be. Shall we close our eyes for a moment right now and wait on God.

If possible, I ask every one of you to kneel down right now. Come on, get up from your chairs. Kneel down. Close your eyes. As we ponder about this new year, one entire year has passed by. You come before the Almighty in this new year. All throughout the past one year, how many blessings He gave you. Count them, one by one. Count them, one by one. How He called you. He saw you and He called you. Oh, let tears of gratitude flow down from your eyes. Thank You, wonderful God. Even as I'm speaking these words, many of you are seeing angels of God appearing before you. You are amazed. Your eyes are watching with open eyes at the TV. You saw angels standing on the stage, then another moment it seems that they came out from the TV and are standing before you. Come on, lift up your hands and worship the Almighty God right now. This is a glorious day. Wonderful glorious day. The Lord Jesus Christ is coming again very soon. Not one person is seeing this supernatural scene, but many people are watching these angels in your rooms right now. I see some little angels even playing with your children in your living room. Suddenly you are wondering why your little one is laughing and smiling. Suddenly it seems you're wondering why your child is pointing his finger at something else and then just smiling. Because the angel of the Lord is standing there. Thank You, wonderful God. Thank You, wonderful God. Today is going to be a glorious day in your life. Open your heart unto the living God.

Ask the Holy One of Israel to speak to you. From this moment on, till the end of this entire new year's service, the Almighty God is going to command an open heaven here. You are literally going to experience the glory of God in a new manner. We were conducting a conference, a prayer time, in a city called Coimbatore in the month of September 2010, and as God's servant His prophet Vincent Selvakumar was praying, he saw the Blood of Jesus Christ dropping down from heaven and he said, "I see the Blood of Jesus Christ coming down from heaven and dropping among you all." As soon as he said that, many people literally felt the Blood of Jesus Christ drop down. This is not just a spiritual experience. Many people, about 5,000 people who came to that meeting, they saw a big splash of blood on the floor of the church.

They were amazed. The blood remained there in the church for more than two hours. Then it slowly disappeared. Not only that, many, many young teenage girls upon whom the blood fell they showed us the bloodstains on their clothes. I personally saw both hands of a woman filled with blood. The Lord began to do such marvelous, miraculous signs. In the same manner, today you're going to see something like that. Not exactly like a blood, but something like that. You're going to experience in this service. Please listen carefully: from this moment on, till the end of this new year's service; from the beginning of this message followed by God's prophet Vincent Selvakumar's message, God is going to command an open heavens. You're going to experience an awesome glory of God.

Thank You, wonderful God. Thank You, wonderful God. Count your blessings one by one. Ponder upon them. Thank You, wonderful God. Our gracious and loving, heavenly Father, we come before Your holy presence in the name of our Lord Jesus Christ this evening. Thank You for gathering Your dear children from far and near today. Look at every one of them, Lord, who are watching this program from all over the world. I thank You, Lord, even right now, not only the images are being watched on the television screens and through the internet, but the satellites that are beaming these airwaves unto the uttermost part of the universe are even broadcasting this event. How this will take place we don't know, but we do know because Your Word says, the Lord roars from Mt. Zion throughout the ends of the

earth. He roars like a mighty lion. He roars! And from one end of the universe to the other end, the voice of the Lord roars.

Thank You, wonderful God. Even right now, we humble ourselves before Your holy feet. Let the Word of the Lord come to Your children today. Hide us behind Your cross. Let the glory of heaven be broadcast right now. In Jesus name we pray, amen.

Please be seated. My dear brothers and sisters, one year has passed. I do not know how the year 2010 was for you, but through the many, many letters that I've received from you, many of you have met tragedies, many of you have suffered losses, walked through the valley of the shadow of death. Probably the entire last year was a year of tears. One section of people went through like that. Another section of people...you know what promise the Lord gave us last year? "I will do a new thing, now it shall spring forth." So many, many people testified of many new things that God has done for them. Whether you were blessed or you walked through tears, you are anxiously waiting how this year is going to be. What will befall me, you think. What promise is God going to give to me that I may hold onto it? Every year we wait before God and we sincerely pray, Lord, what is your Word that we can give to all Your dear children? So, whenever my respected Brother Vincent Selvakumar and I conduct this new year's service, it is always my privilege to share the message of promise. Then he comes flying like an eagle later to give you a prophetic viewpoint of what God wants to say / what God wants to do. This is how it has pleased God to use us all these years. All right, I shall not keep you in suspense much longer. So what's God's promise for this year? This is the promise:

"The Gentiles shall see your righteousness,
And all kings your glory.
You shall be called by a new name,
Which the mouth of the Lord will name." (Is 62:2)

Hallelujah! What a wonderful promise of God for you. I hope you were fast to write it down, but in case if you missed it – don't worry. Just write to me; I will send you a wonderful postcard that we have made for you. If you are on our mailing list, you will receive one. But if you have never written to our ministry before, and you would like this wonderful postcard so that you can keep it in your Bible and every day look at it – but at the same time, non-Indian friends do not think that I'm going to send you an Indian postcard. No, I will send to you in English language. So write to me.

So let's look at this promise one more time. This blessing is found in the prophetic book of Isaiah chapter 62 and verse 2 says like this, "And the nations shall see thy righteousness, and all kings your glory. And thou shall be called by a new name, which the mouth of the Lord shall name." Three specific blessings for you today. All the nations shall see your righteousness. The second blessing: all kings shall see your glory. Not one king or two kings, all kings. Thirdly, and the Lord will call you by a new name. When He wipes away your tears, when He removes and takes away your shame, when He puts on new clothes upon you, He will call you by a new name. Two specific incidences are coming before my mind right now. If you read Zechariah chapter 3, the high priest Joshua comes and stands before God. He's wearing all dirty clothes and the command went forth from a mighty angel, "Remove those old clothes! Remove! Put on him new clothes. Put on him a new turban. This is the Lamb! This is the Lamb that bore the sins of the whole world!" The word Joshua in Hebrew is Yeshua.

That is the Lord Jesus Christ we see there. And another incident, when blind Bartimaeus came to be healed by the Lord Jesus, the first thing he did when he got up – he threw away his old clothes. If you read Mark chapter 10, you know beggars have some kind of a uniform. So when people see this kind of people dressed like that, they'll know oh this is a beggar. In the same manner, when he got up to go near the Lord Jesus, Bartimaeus knew in his heart [that] he's no more going back to his old lifestyle, because his life is going to be exchanged by the goodness of the Lord Jesus. In the same manner, God is going to clothe you with new.

My dear brothers and sisters, let us see very quickly what are these three blessings that God wants to give

you for this new year 2011. Don't forget this scripture. Claim it every day of this year. Firstly, Gentiles shall see your righteousness. The word Gentile in Hebrew means: foreign nations or other people. Not your own people. Not your own family. Not those who are very close to you. But outsiders, other nations, anyone that is outside your inner circle. Anyone outside your inner circle who may know you casually, they are called Gentiles. That is one circle, and it also refers to peoples of other nations. The promise of God is this: others will see that you have been vindicated by God. You know, I want you to pay special attention to the word righteousness there. You know, when the apostle Paul was just an ordinary man like Saul, he was a terror. The Christian churches when they looked at him they feared him. He went on terrorizing the Christians. But when he had an encounter with the living God, his life changed. Acts chapter 9 verse 15 tells us when people saw him later on, they saw him as a different man. The Gentiles saw him as a different man. And God Himself testifies My servant Paul is no longer like the old person. His lifestyle has changed. Look at the fruits in his life. Oh, it is full of righteousness. Gentiles shall see your righteousness.

What is righteousness? The Hebrew word and the Greek word for righteousness means: an upright lifestyle, or you have a good moral standard, or thirdly it also refers to doing good works. All this refers to righteousness. You're an upright person. That you're abiding by all the counsels of God. My dear brothers and sisters, when the scripture says "the Gentiles will see your righteousness" it means this: God will vindicate your moral lifestyle for all to see. Maybe last year you have been questioned. You may have been falsely accused. With all sincerity you may have lived a good life. You may have lived a clean life, a pure life. Your hands were clean, your mind was clean, your walk before God was clean, your heart was clean.

But the enemies of the cross hurled wrongful, false accusations at you. Consider the life of Joseph. If you read Genesis chapter 39, a righteous man Joseph. From the time that he was a young boy till he was a young teenager, he kept himself pure and holy. How do we know that? He faced a test in his life. Potiphar's wife tried to entice him. She fell in love with his handsome beauty. She wanted to entice him and commit adultery with him. And when there was an opportunity for even Joseph to fall into that sin, you know what Joseph said? He said, "Madam, how can I touch you? I cannot sin against your husband." He did not stop there. He said, "I cannot even sin against my God." That last sentence tells us what a God-fearing person the young Joseph was. Yet that lustful woman would not let him go.

She tried to hug him, and tried to entice him. She tried to arouse him sensually, and that wonderful God-fearing young man, because he had totally dedicated his body to the living God – he guarded his virginity until the day of his marriage – he purposed in his heart that he would not defile his body and he pushed that woman and he ran away. And this Potiphar's wife was so furious. She always had people at her fingertips. Whenever she likes, she will demand them to sleep with her. But this is the first time somebody resisted her advances. She felt insulted. Now where did this incident happen? It took place in Egypt. And you know in Egypt there are all kinds of evil spirits. The spirit of Astaroth that will only commit people to do these kind of sexual sins. Because it is that spirit that is given over to sexual lusts. In that very land where this spirit reigns, God's prophet Joseph withstood it.

Let me tell you one thing right now. I feel very strongly impressed in my spirit to address this to all the young people who are watching right now. These are the days that God is raising up a company of young people with a prophetic anointing. God is going to pour out the Joel 2:28 anointing upon the young people. That is a prophetic anointing. So when you are filled with that anointing, you will move in the prophetic power. You will see visions, you will prophesy, the two-fold purpose of the prophetic anointing. The Spirit of Astaroth and the Spirit of Jezebel will always contend with the prophets. It will seek to imprison them. Now if you read 1 Kings chapter 18, when Jezebel was queen she had under her command, under her feet, 850 false prophets. The Bible calls them prophets. They are not God's prophets. They were the prophets of the false gods. Not just prophets of the false gods, but they were working under Jezebel. She had them under her feet. That is what the spirit of Astaroth and Jezebel will try to do – to bring a prophet of God under her feet, causing him to lose his zeal and fire for God. Cause him to doubt his calling. Cause him to lose the seed of his body.

Thereby he will run away in fear for his life. Then she will triumph over them. If you read 1 Kings chapter 18 and 19, you will see this happening in the life of the prophet Elijah. Initially it seemed that Jezebel triumphed over Elijah, because it says Elijah ran away from the presence of Jezebel for fear of his life. That is the work of the spirit of Jezebel, causing fear and intimidation. My dearly beloved young sons and daughters, guard your bodies. Guard your virginity like Joseph. Even in this program, in this day's meeting, many of you are going to get baptized in the Holy Spirit.

Many of you are going to see the hand of the Lord come and touch your eyes, and your spiritual eyes will be opened to see visions of glory, and you will be baptized with the fire of God, and today you will receive the prophetic anointing. Guard your body. Guard your virginity. Don't let defilement come to your body. If you will guard your bodies and resist steadfast every temptation that comes from the enemy, great will be the glory of God upon you.

From the beginning of time, if you read the Old Testament, every time a prophet of God appeared on the scene this spirit of Asteroth and Jezebel always contends with a prophet. You will see that even in the life of the prophet Moses. Although it is not very clearly written in the Holy Bible, whenever he appeared before Pharaoh, it is a spirit that rules there. My dearly beloved brothers and sisters, the spirit of Jezebel will always go after a prophet's blood. Jezebel said that in a challenge.

This day tomorrow, I will have Elijah's blood. Now look at another prophet's life – the prophet John the Baptist. Another wicked queen of Herod. What does she do? She too went after the life of the prophet John the Baptist. But John the Baptist did not run away with fear. Till the last breath that he had, he was upright. They forcibly beheaded him. He did not submit to this spirit of Jezebel and Asteroth. Precious servants of God, every one of you who have the prophetic anointing upon your life, and every church that has a prophetic call, and every young person who is going to receive this prophetic anointing, beware of this workings of the spirit of Asteroth and Jezebel! The primary way how she works is through enticing sexual lusts. A church that has a prophetic call – how will this spirit destroy such a church? It will stir up sexual lusts among the young people, and cause the Pastor who has a prophetic call to be turned away / sidetracked from his main call to focus on dealing with the problems in the church. And causing such uncleanness to come in the church, thereby the glory of God will move away from the presence of your holy church. And on those who have a prophetic call on their lives, this spirit of Jezebel and Asteroth will entice you to commit sexual lusts, adultery and sexual sins. It will cause your marriage to be even broken. Guard your marriage! Guard your marriage! Don't open any door for even a hour of thought for this to come in.

When it comes, it is an arrow from those two spirits that will cause confusion, cause a church to be sidetracked, cause a prophetic Pastor and a prophetic Pastor's wife to be sidetracked from their call. Be careful, my precious and respected ministers of God. Even right now, the Spirit is showing expressly: guard your church in this year. This spirit will rise up with greater fervor. Why so much this year? Because the Spirit of the Lord is going to come upon your church. The seven eyes of the Lord which are the seven spirits of God has been released into the Body of Christ. When we conducted our third Open Heavens Prophetic Conference in Jerusalem last year, the Lord made it known through His prophet Vincent Selvakumar that He is releasing the seven prophetic eyes of the Lamb of God to the world. Throughout the conference, many, many wonderful, powerful revelations concerning the seven eyes of the Lord were made manifest. God has begun to pour that out into the church. The time has come for the church to rise up! Put on the prophetic mantle. You will receive new eyes. Your eagle-like, prophetic wings will lift up and you will mount up with wings like an eagle.

Every church that has a true prophetic call. Every Pastor, every evangelist or any minister of God that has a true prophetic call on his life, every young person with a prophetic call: spend much time waiting on God in this year. The eyes of the Lord have gone forth. And when you wait, the eyes of the Lord will come upon you. Eyes are something that sees. It's not just something that prophesies. See that is the difference here. Eyes see. Mouth speaks. The seven eyes of the Lord, and the ability to see into the spiritual realms – these are the prophetic gifts

that have been released into the Body of Christ right now. So my precious ministers of God, especially Pastors who are pastoring churches, I am sharing with you what now the Holy Spirit is showing to me by visions. Put a bloodline all around your church. Guard, mark out the boundary of your church by the Blood of Jesus Christ. Raise up prayer incense continually in the church. Like never before, teach more on holiness. Just like how you will personally watch over your own children, you must watch over your young people.

Teach them to control their natural sexual instincts. Teach them to keep themselves pure and virginal until the marriage day. My dear prophetic ministers of God, especially Pastors, don't spend much time sleeping. Watch unto prayer. Watch unto prayer. The enemy tried to destroy Joseph. I know a precious prophet of God. He lived a very Godfearing life. He gave himself to live a life of a celibate. And all his life has been going around villages preaching the gospel. Never sought for fame or name. Always tries to hide himself behind the cross. You can never find himself even printing his own photograph in his own magazine. That much he tries to always hide himself behind the cross. But the year 2010 was a terrible year for him, like never before in his entire life.

These very spirits of Asteroth and Jezebel tried to destroy him and destroy his ministry by raising up people from his own church against him. Even people whom he trained in the ministry, loving them like his sons, even shared his pulpit with them – they rose up against him. Remember I told you earlier that these spirits of Asteroth and Jezebel will always entice in sexual sins. Keep that in mind. When this man of God was attacked, you know what they accused him of – they did not accuse him that he was a prideful person. They did not accuse him that he was a very arrogant person. They did not accuse him that he was taking all the money from the ministry to his own self. They accused him of committing fornication with the young girls in his church.

Who are those young girls? The very girls that were born right before his own eyes, and he brought them up like his own daughters. From when they were born, till they were young (late teenagers), how can a father have sexual instincts for his own daughters? It is these kind of accusations that were thrown against him. Not even from the enemies from outside the church. The very girls themselves. Because they tried to hide their own sins, they accused an innocent, sinless man of God. Like Joseph. I personally saw him shedding tears, like a little child weeping and crying. But God says, Gentiles will see your righteousness. That's the spirit of Asteroth's work: tear a man of God's integrity and character.

Throw all kinds of mud at his character. That is what Potiphar's wife did to Joseph. But we read in Genesis chapter 41, from verses 42 – 57, God vindicated Joseph. Hallelujah! He vindicated him. Truth will never lie hidden in the ground forever. It will rise up after three days. Amen! It will rise up after three days. The Lord roars with Joseph even in prison. He vindicated His servants righteousness.

My dearly beloved brothers and sisters, this is the first blessing. I do not know why again and again the Holy Spirit is showing me to address the young people this important message. Those young people who have girlfriends or boyfriends: watch your limits. Guard your limits. Don't allow the enemy to entice you to step over the boundary. Again I say unto you, guard your virginity. Guard your virginity no matter what price you may have to pay.

It is OK to lose your reputation than to lose your virginity. That's what Joseph did. He lost his name, but he guarded his holiness. Eventually God lifted him high up. All the Gentiles came to see him when the great famine came all over the world. The Bible says people from all over the world came to Joseph to take bread from him. God lifted him up, crowned him with righteousness. The second blessing: all kings shall see your glory. Now two important words here. One is kings. The other is glory. What does the word kings mean? It refers to natural kings and queens. It also refers to world leaders. Not all nations have kings and queens.

Some have, but not many. But there are world leaders everywhere. Secondly, the word glory. The word glory in the

Hebrew language in this scripture refers to honor. It means God will make you honorable. If you put this together, this is how God will bless you: God will give an open door of honor for you. Oh, how wonderful it is. This is so beautifully written in Isaiah chapter 60 verse 11. And Isaiah 60 verse 16 says, wherever you go, because you have guarded your integrity and holiness, wherever you go you will receive prosperity, riches, honor, blessings, from the nations. The nations will come seeking you. That's what it means.

All kings will see your glory. Because you patiently waited on God to honor you and vindicate you. Because you didn't take up vengeance on yourself. God will honor you and crown you. If you read Isaiah chapter 49, verses 23 – 26, very beautifully it is written there. Do you mind if I read to you those scriptures?

“And kings shall be thy nursing fathers,
And their queens thy nursing mothers,
They shall bow down to thee with their face towards the earth,
And lick up the dust of your feet.
And thou shall know that I am the Lord,
For they shall not be ashamed who wait for Me.
Shall the prey be taken from the mighty,
Or the lawful captive delivered?
But thus sayeth the Lord:
‘Even the captives of the
mighty shall be taken away,
And the prey of the terrible shall be delivered;
For I will contend with him
that contendeth with you,
And I will save your children.
And I will feed them that oppress
thee with their own flesh,
And they shall be drunk with
their own blood as with sweet wine.
And all flesh shall know
That I, the Lord, am thy Savior,
And thy Redeemer, and the
Mighty One of Jacob.’” (Is 49:23-26)

This is God's word for you. Anyone who contends with you, who has trampled down your reputation, who has spit on your face, look what the Bible says: they will die a terrible death. They will not die peacefully. They will die a terrible death. Very terrible. Some may die in a terrible accident, and their body smashed to pieces. Every limb of their body dangling, broken, as if torn by somebody. Be careful. Be careful. Be careful. This year God has decided to honor and vindicate his servants. Many of His precious servants have shed blood last year. God will vindicate them. Look at King Solomon. People came from all over the world to see him. If you read 2 Chronicles chapter 8 and chapter 9, they all came to honor him. You may have heard of the great saint in India called Sadhu Sundar Singh. When he was at the height of his ministry, wherever he went in Europe, many kings and queens and great political leaders came to him for prayers. The same blessing will be given to you, because you patiently waited on the Lord. He will crown you with glory and honor.

There are many, many ministers of God who have a prophetic call on their life. Some of you do not know that you have a prophetic call, and you're just doing an ordinary ministry. And there are others who truly are walking in the prophetic anointing, but you are like hidden right now. You're doing like a small, simple ministry but in this year, God will make His glory come upon you. And He will lift you up, enlarge the borders of your ministry and give wings to your feet and cause you to go to new places, even new territories, new nations. Oh, you precious and humble ministers of God. Wait on God. Get ready to put the trumpet to your mouth and blow the sound of the Almighty God.

The third blessing that God gives us: God will give you a new name. Again we see two words here. He shall be called by a new name. Now the word "shall be called", in the Hebrew it means like this: properly addressed by name, like giving proper respect. This is how I can best describe this. In England there is a tradition. Some people who have earned some good reputation, the king or the queen of England may want to knight them. So such a person will come before the king.

The king will take a special sword, tap on their two shoulders, and then say from now onwards you're called Sir Richard. They get the title Sir. A very honorable title, recognized all over the world. In the same way, you shall be called by a new name. But God Himself will give you that highly, respectable honor. The word name in the Hebrew here is shem, and the word shem means honor. It means, you shall be appointed with honor. Now if you put these two together, this is the third blessing that God gives you. With the new name, God appoints honor with it. You will be recognized and honored. Oh, what a blessing. If you read Philippians chapter 2, verses 9 – 11, it says that because the Lord humbled Himself, the name of Jesus is lifted high up, greatly honored, greatly respected all throughout the universe. God gives you a new name. Changes your name. There are many examples in the Bible.

Before Abraham became Abraham, Genesis 17, verse 5 – 8 tells us [that] he was just called Abram, but God changed his name. His entire future was changed. In the same way, there are many examples that I can tell you. My dear brothers and sisters, God changes you and crowns you with honor. If you read Isaiah chapter 62 verse 4, you shall no more be called forsaken, your name will be changed. To what? Hephzibah. Hephzibah means: God's delight is in you. Oh you men of God. Oh you daughters of God. You are no more forsaken. From today, you become God's delight. Come on, clap your hands and give glory to God. Secondly, you shall no more be called desolate. You are no more called desolate. He's changing your name. You shall be called Beulah. What does Beulah mean? You are married to the Lord. God owns you. He protects you. You are His Bride. My dear daughter, you are no more desolate. No one shall say you're desolate. You shall be called Beulah.

One final warning. Those who turn against God, against the people of God, the Bible says in Isaiah 65, verses 11 – 15, they shall be cursed and punished. It is very, very strange. Never before in history, in the last two years wicked people have risen up from within the church. In the past, wicked people were outside the church. Now they are within the church. Wicked betrayers. And the Word of God says, God will curse them and punish them. Remember that. Isaiah 65 tells us like that. God will curse them. My dearly beloved brothers and sisters, I want to remind you of the promise of God one more time. The Gentiles shall see your righteousness, and all kings shall see your glory.

God will give you a new name. This is the promise for this year. Every one of you, stand to your feet right now. Take your right hand and put it on your heart. I'm going to pray. [The connection was lost here for a moment.] Look at every one of them. All those who humbled themselves. I pray they will see Your glory. I pray they will experience Your mercy and goodness. I pray that You will enable them to taste and see how good God is.

Oh great King of the whole universe, Oh Lion of the tribe of Judah, now roar! Roar! Roar! I command every bondage be broken over their lives. I command every falsehood be broken over their lives. I command every spirit of lies and intimidation that has bound them, be broken. In the name of the Lord Jesus. In the name of the Father, the Son, and the Holy Spirit. I bless Your people with this promise in Isaiah 62 verse 2. I bless them that the nations will see their righteousness. I bless them that all kings will see their glory. I bless them that the Lord God shall give them a new name.

Lift up your holy hands right now everybody. Come on, lift up your holy faces and wave your hand and give glory and thanks to the Almighty God. Come on, open your mouth and give thanks to God. He's a good God. His grace and mercy endures forever. Come on, open your mouth. Oh, even the little ones. Open your mouth

and say, "Thank You, Lord Jesus." Thank You, wonderful God for Your merciful kindness. And I pray You'll continue to do a good work in the lives of all your dear ones.

Message from Vincent Selvakumar (Voice of Jesus Ministries)

I greet every one of you in the wonderful name of our Lord dear Jesus Christ. God has given us grace to meet each one of us in this new year. God gave us His wonderful promise and blessed us. Whatever difficulties you faced in the last year, in this year God is going to honor you. You're going to receive good blessings and honor from the hands of God for all the difficulties you faced in the last year. God is going to crown this year with goodness.

From the beginning of this year, we're holding the hands of the Lord and starting out. But there is an anxiety in every person: how is this year going to be like? Every beginning year we're holding the hands of the Lord and walking. We must learn and be prepared how to enter into a new year. We must know very well what is God's will for this year. When we met last year, the Lord spoke to us many things. Concerning last year, the Lord said it will be a year of turning points. Many turning points happened last year. It happened in our churches, it happened in your ministries, it happened in your spiritual experiences, it happened in our nation, it happened in our political circle, we saw this in nature.

We saw the Lord guiding us in every way a turning point. He reminded us of one thing when he spoke to us last year. When I turn the seasons and the times, you must also turn accordingly. When you travel in a mountainous region, there are many hairpin bends around the mountains. It will go around the mountain. Many turnings around the mountain. Whenever a turn will come in a mountain, there will be a sign saying a turn is now coming. A person traveling straight in a road must turn according to the journey. If we will not pay heed to all the road signs where we should turn we will meet with danger. That is why the Lord also before any turning point comes, He forewarns us. Accordingly we must turn our ministry direction.

Accordingly we must turn the direction of our mind, and our spiritual experiences should also be turned around in that direction. If not, we may have to face accidents in our spiritual lives. We should be able to bend around according to how the Holy Spirit wants to move us. If He bends and turns, we should also bend and turn. If He walks straight we must also walk straight after Him. That is what it means to walk together with the Lord. That is why at the beginning of every year, we wait on God for the new year.

If we turn and look at the past year, there are so many people who died who were not able to turn around. They have stopped in their journeys because they were not able to turn together with the Lord. Many have walked away from their spiritual experiences. Many have even forsaken and fallen away from the faith. That is why it is very important to obey and pay heed to what God says. We are going to commit this year into the hands of the Lord. We are going to wait on the Lord what He wants to speak to us for this year. We want to dedicate ourselves into the hands of God according to how He wants to lead us in this year. You must commit your life into the hands of God. Commit your spiritual life into the hands of God. You must commit your church into the hands of God.

You must commit your thoughts, your intentions, and your will into the hands of God. You must commit your family into the hands of God. Commit all the plans of this year into the hands of God. Empty your heart and wait on God. Only then God can speak to us. You must not have a selfish plan in your heart and then wait on God for another plan. If you wait like that, God can never speak with you. Don't try to tempt God's thinking, whether God's plans will line up with your plans. Firstly, empty your heart. Say that whatever God speaks to you, you will do it. Say that you will completely dedicate yourself to the will and purposes of God. If you can

do that, God will speak to you. You'll be able to clearly hear the still, small voice of God. Your eyes will certainly be opened. God will open your heart wide.

He will certainly show to you what He wants to do. Commit yourself into whatever ways He wants to lead you. As you commit yourself to walk in the ways of the Lord, He will continually guide you every step of the way. It's not only the beginning of the year – He will speak to you all throughout the year. For that, prepare yourself now. Let us lift up our hearts and look unto God in prayer. Look upward. We're going to pray step by step.

Say that you commit your heart to God. Say that you're putting away all your plans. Say that you're going to commit your family to the Lord. Say that you're committing your thoughts into the hands of the Lord. Say that you're totally emptying yourselves before the Lord. Say that whatever that concerns you, you are committing it unto the Lord. Say, Lord open my eyes. Say that whatever you speak to me, I'm willing to do it, Lord. Say that I am waiting anxiously to listen to what You want to speak to me. Lord, open my heart. Let Your word through your still, small voice be made known to me from the depths of my heart. Let your presence cover me now. Let your presence fill my family.

Let your presence fill my mind. Ask, Lord, speak to me now. The Holy Spirit is moving in your midst now. The Holy Spirit is moving in your midst like a white cloud. The Lord Jesus says, "Whatever I purpose to do, none will fall away. Commit to My will and wait. Until you receive good things from My hands, wait. Even now I am standing in your midst. I am looking at you." I see a sister who is waiting here with a troubled heart. You are above 50 years. You are sitting on a sofa. There is a laptop before you, but you are watching this program through the TV. You look like someone from a Western nation. Your heart and your mind is troubled. "I'm not able to pray. I have been forsaken by all. I'm not able to feel the presence of God. The Lord is far away from me." Last year many times you heard a voice, "God has forsaken you. You have no more faith in God. You're not able to seek God anymore. You have become an enemy of God." Many times a voice spoke to you, "You go and commit suicide." Because of that voice, you have lost your faith. The Lord God tells you, "I am standing before you. I am standing before you. Two angels are standing before you. They have come to comfort you.

They're standing there to open your eyes. You must now commit your heart totally into My hands. My glory will come upon you. Your eyes will see it. I'm going to raise up many that are fallen. Not only you. I'm going to raise up many who are in such a predicament. I am the one who will not bend a broken reed. I will not blow away a broken flax. I am the Lord. One more time, I will make all things new, one more time, one more time. One more time, I'll revive you like new again. You have found grace in My eyes. My mercy is surrounding you. Do not be hardened. Do not be troubled, behold the new things that I'm going to do are coming. I am the Lord, I change not." Lord, speak to Your children. Open their eyes. Bless this time for them. Make Your ways known to us in this new year. Make us to see Your power. In Jesus name we pray, amen.

The Lord desires to speak to us about one thing. The Lord put many turning points in our life last year. Concerning that, the Lord said it's going to be a year of turning points. But concerning this year, the Lord said this is a year of danger. You're going to be very careful about many things in this year. Let's imagine there is a chessboard. There are two colored pieces there. One is black and the other is white. I saw a vision like this about three [or] four days ago. A white piece has been moved. When the white piece has been moved, accordingly a black piece is also moved. The Holy Spirit spoke to me one thing. Last year I moved my pieces, but in this year Satan is going to move his pieces. Satan has devised many things in this year against my works. You must know the wonderful things that I'm going to do in this year. And at the same time you must also know the plans and the wiles of the devil. If you are not careful about the snares of the devil, you will not be able to be careful.

God is going to do many new things in this year, and I began them last year, and I'm going to bring you into greater depths in this year, but the enemy is preventing you from entering into that. You must know the ways

and the vices of the devil. This is the first thing that I'm going to do: I'm going to open the mouth of many people to announce the gospel of this kingdom. Because this time that you're standing in my eyes are the last eyes. You have been moved towards the last days. Time is only very little now. The world is on its last lap. Therefore whatever I spoke concerning the last days are going to take place shortly. Matthew 24 verse 14 says like this, "And this gospel of this kingdom shall be preached in all the world for a witness unto all nations, and then shall the end come." If you read this scripture a little deeply, before the end of the world comes the gospel of this kingdom shall be preached everywhere.

Many people have misunderstood this scripture. They're thinking that in these last days, the gospel of the good news should be preached. They're thinking that this gospel will be preached into all the world. We only know one kind of the gospel. The good news that the Lord Jesus came to this world in the form of a man. He lived like us, he acted like us, and he died like us. He bore our sins and died on the cross for us. He is ever gracious to forgive us of all our sins when we confess them to Him. He came to save us from sins. He came to deliver all people from sins. Therefore the only way to get saved is to believe on the Lord Jesus Christ. This is the only gospel that we know about. This is a glorious gospel. There's no doubt about it. This gospel is known as the gospel of Jesus Christ. Gospel means good news. The gospel that was announced to the whole world refers to the blessings that we receive from the dying of the Lord Jesus. The disciples and the early apostles went all over the world to preach the good news. They preached about the dying and the resurrection of the Lord Jesus Christ. We are thinking that this is the gospel that will be preached into all the world in these last days.

But the Bible says not this gospel. It is not the gospel of Jesus Christ. It is the gospel of the kingdom of God. It is the gospel of the kingdom that should be preached into all the world. The disciples of Jesus Christ after His death announced the good news. But when the Lord Jesus was on this world, He spoke about the gospel of His kingdom. The gospel of the kingdom that the Lord Jesus during His days [preached] must be the gospel that we should preach in these last days. In Matthew 9:35 it speaks about the gospel of the kingdom that the Lord Jesus preached. Even John the Baptist who lived during the days of Jesus Christ preached the gospel of the kingdom of God. What does it mean, the gospel of the kingdom? What are these terms? In the gospel that the Lord Jesus Christ preached, its manners have been revealed. We're able to read about it very clearly in the gospel.

In Mark chapter 1 verse 14 it tells us very clearly over there. When John the Baptist was put in prison, and Jesus came to Galilee, preaching the gospel of the kingdom of God and saying, "The time is fulfilled, and the kingdom of God is at hand. Repent, and believe the gospel." This is the gospel of the kingdom. We see four things here. Firstly, it talks about the time being fulfilled. Second, it says the coming of the kingdom of God. Thirdly, it says why you must repent. Fourthly, it says the importance of believing this gospel.

The gospel of the kingdom is composed of these four things preached by the Lord Jesus. The first thing refers to the fulfillment of the time, giving man the sense of time in which we are living. It is this gospel that will be preached into all the world in these last days. In a nutshell, it means that the gospel of the kingdom means the coming of the Lord Jesus Christ will be preached into all the world. When the Lord Jesus came to this world the first time, He came alone. When He'll come the second time He's not coming alone but with His kingdom. The heavenly Jerusalem, the capital, is going to come down with Him. The temple of God is coming down. His entire army is coming down with Him. His entire kingdom is going to come down with Him. In order to make that come to pass is the beautiful prayer that the Lord Jesus taught His disciples. He said, pray that Your kingdom come. We are praying this prayer in all our prayer life. God will raise up a group of saints to preach this gospel.

God will raise up a huge company of evangelists who will preach this gospel of the kingdom. They will open their mouth and speak about the time of being fulfilled. They will reveal to the people the nearness of the time in which we are living. They will be a people with discerning eyes. They will speak with evidence the things that are going to take to pass in their days. God will raise up a new group like that. They will prepare the people before the coming of the Lord. They will say, "Repent!" They will be like John the Baptist who will

preach boldly and fearlessly. Even now, the ax is laid to the root of the tree. Every tree that bears not fruit will be cut and thrown into the fire. A group will rise up who will preach boldly like that. They will preach with signs and wonders concerning the kingdom of God.

They will emphasize the importance of building the coming of the kingdom of God. Because in the last days, people of faith will be lesser. The Bible says concerning the last days like this: as it was in the days of Noah, so shall it be in the days of the Son of Man. Man will be giving in marriage and taking in marriage, selling and buying until the day that they were taken away by the flood. They will not have the sense of seeking after God. In the midst of such people, God will raise up a group of people who preach boldly about the gospel of the kingdom of God. This is the first move that God is going to make in this new year. A new anointing is going to come upon the people. They will be a people who will know the signs of the times. They will reveal to the people the things concerning the times in which they are living. They will boldly and fearlessly reveal to them the plans of God. Their mouth will not be bounded. There's no boundary to their feet. They will go everywhere the Lord sends them. They will go like wind. They will go like flaming fire. The Lord says that group is going to rise up. The bounds about them will be broken and their eyes will be enlightened.

There will be evangelists who will know how to discern the signs of the times. They will be able to tell boldly to the people the seasons and the times of God and what God is doing. This anointing is going to come upon your church very soon. The children in your family are going to rise up and are going to be filled with this anointing. God is going to fill your young people's mouths with this gospel of the kingdom. God is going to fill many pastor's / minister's mouths with the gospel of the kingdom. Henceforth, others who have been speaking about other things so far, from now onwards are going to preach the gospel of the kingdom. Their spiritual eyes are going to be opened. This is the thing God is going to do. You're going to see this thing taking place in a great manner. And Satan is going to move a black piece against this work of God. The Lord spoke to me thrice concerning this thing. This is a very important thing you need to understand concerning the last days. 2 Peter 3:3 says, "Knowing this first: that there shall come in the last days scoffers walking after their own lusts, and saying, 'Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of the creation.'" Satan is going to raise up a group of people who will speak against the things of God.

The Bible says they are scoffers. They will be walking after their own lusts in their secret lives. They will cause a doubt to come and will say, "Where is the promise of his coming? From the time our fathers died everything is normal," they will say. They will cause people to turn away the hearts of the people from seeking after the coming of the Lord. They are now going to rise up from somewhere. They will rise up from within the church. They are ones who know the word. They know the promises of God. They know the forefathers. They've heard about the coming of the Lord's message. These are the days Satan is going to raise up a group of scoffers. They will preach and turn the word of God. They will write against the coming of the Lord Jesus. They will turn the churches against the second coming of the Lord Jesus.

They will speak against all those workers of God who are preparing people for the coming of the Lord. They will even give many scientific evidence for their scoffings. They will say the world will not end. They will say this world will not end by fire. They will have many evidences to support their theories. Many churches will lose their faith because of this. They will stir away from the faith of God. They will be in the church, but their hearts will not be united with God. They will not prepare themselves for the coming of the Lord. The Christ that they know will be different from reality. They will use the name of Christ to justify their sins. Such false churches will rise up. Maybe from your church such people may rise up. From your ministry such people may rise up.

These are the scoffers who will scoff at the works of God. Many of those who do not live a close life with God will be destroyed like that. One group will rise up like that. And the Lord tells me that another group closely related to that will also rise up. They will say like this: the Lord will come, but not now. It will be

more...His coming is delayed more. We don't have to hurry right now. 2 Peter 3:9 speaks about them. But some are thinking that He is delaying His coming. Many people are thinking that the Lord is slack.

The Lord says, "They are going to preach about it." Guard your church and your faith against such false people. In this year, many such groups will rise up. It is going to rise up and go forth from many nations. Specifically, it will come out from the West a false deception. I see a vision right now. A dark smoke, like dust and like smoke, a wind is rising up. I can perceive in my spirit that it's coming from the Western nations. It's like a pillar of smoke that rises up to the sky. I see it moving. From wherever it is moving, people in those places – when they breathe that air – those people that live among them, they're falling down as if fainted. When they open their eyes, their eyelids are white. Their eyes look like closed. They're like in slumber. They're like blind touching here and there. They are moving, slumbering here and there. They're hitting here and there. I hear a voice now. "A false deception, blind teaching is going to come from the West. Their teaching is going to be based on lusts. They will emphasize on the works of the flesh. They will turn people away from fearing God. They're going to delay the coming and the workings of God. They're going to bring a slackness into the hearts of people against the coming of God." I see one group of people now. I see in their hands a lifted up, drunken like a glass. It looks like a glass. There's a liquid like gold in it. And they're giving it to many people to drink. All those who take it and drink it will become blind. Their eyes are removed from them.

When they open their eyes and see, but it all looks white. The Lord looks at me now and says to me, "Oh Son of Man, do you see what's happening? Oh this is coming like a snare upon the nations. This will spread all over the world from the middle of this year. It will defile many nations. It will make many believers blind. They will turn away from My Word. They will put rocks of offense before My people. They're going to make many people blind. Look at the cup in their hands." Now when I look at the cup, it turns from being gold into red. It looks like blood. They're giving them to drink. And all those who drink them are now falling down in a drunken state. The Lord says a false teaching is going to spread into all the world. But the Lord shows me now that people are flocking to such people.

The Lord shows me a large group of people running after them seeking to drink this false teaching. People will desire this false teaching. There is a big scope in this teaching to lead people in false lusts, in their own lusts, in their own selfishness. We must pray against the moving and the rising up of this dark, dark cloud. Warn the people. Warn the leaders of the church. Warn your prophets. They must listen. They must open their mouth and bind this evil work. Then I will do a good thing, says the Lord. The second thing that God is going to do: God is going to raise up His prophets.

We have heard this thing many times. Acts chapter 2, verse 17 and 18 says like that. He will pour out His Spirit upon all flesh in the last days. His sons and daughters shall prophesy, the young people shall see visions, the elders shall see dreams, and the servants and the handmaidens will become prophets.

This is the second white piece that God is going to move. You're going to see the prophetic anointing being poured out everywhere in a great manner. Even little children are going to rise up like prophets. You're going to hear good news that God's Spirit is being poured out among children. God is going to fill His little children in many churches with His Spirit. They're not only going to speak in unknown tongues, they will prophesy in the name of the Lord. The bound of their mouth will be opened. Their eyes will be opened and they'll see visions. They will see angels ascending and descending. You're going to hear such news in large numbers. Even in very small nations such things are going to take place. Even in some nations that you've never known before such children are going to rise up. God has promised a prophetic anointing for the last days. This is the second white piece that God is going to move. This has begun by the Lord from here onwards. In this year, God is going to take us into a greater depth in this anointing.

And in this year, Satan is going to move his black piece against the ways of God. He's going to lift up his feet against this prophetic generation that God is going to raise up. He's going to raise up many false prophets. Many false prophets are going to rise up. They will say, "Christ is here, Christ is there" and cause people to be blind. The Lord is telling me now, they are not only going to rise up among Christians, they are also going to rise up from many other religions. They will say that they are the last days manifestation. Whatever they say it appears will come to pass. A false prophet's lying spirit will be upon their lips and make them to say to come to pass. They will lift themselves up. When people see that whatever they say comes to pass, they will follow them. You are going to see many people around you rising up like that. God is showing me now a false prophetic spirit rising up from the ends of the world. There are nine spirits there. It looks like a very large frog. Its outer body looks like black and dark green. It seems that it is coming from a very deep hole. It's going into many directions. It will go into 8 different directions. One particular frog goes into a central place.

The Lord says, "Danger is coming into all the places of the earth. From every part of this world these false prophets will go. Just like false prophets rose up against Elijah, just like the prophets of Baal rose up, likewise in the last days false prophets will rise up against the true prophets of God. They will not glorify Me. They will not make people come towards Me or move closer to Me. They will make people be blinded in their faith. They will not turn people towards the last days. They will make them lazy in their works.

They will make them very lustful and wicked people. False prophecies will come out of their mouths. Satan is going to do this work from beginning this year. You will hear of many false Christs rising up. They're going to rise up from many nations. Specifically they are going to rise up from Africa. Three such people will rise up. They are going to kill many people. They are going to spill many people's blood. People are going to be deceived by seeing all the things they speak coming to pass. And even such false Christs will rise up from many other nations. They will speak against God falsely and make people blind. They will stir the hearts of the people from following God." God says, "This is going to come to pass quickly. They have come, begun to rise up from hell.

Therefore, you must pray to bind them from coming to pass. You must withstand against all this just like how Elijah withstood the false prophets. God desires all the true prophets of His to rise up. You must display My true power and My true glory. Then their hands and their feet will be bound. Their necks will be destroyed. Their works will be destroyed and go to ashes." The Lord says, "Just as it happened in the days of Elijah, My prophets, it will happen in your days." The second thing that God is saying: "They will seek to destroy the prophets of God. In this year such evil, wicked people will rise up.

They will be the ones that will be filled with the spirit of Asteroth and Jezebel." The spirit of Asteroth and the spirit of Jezebel always works against the prophets of God. Their intention is only to destroy the prophets of God. Their intention is to chase away the prophets of God. Their intention is to bind the prophets from doing their works. Just like they chased with fear Elijah, they will also want to intimidate you and make you run away. Such wicked spirits will work in all nations. Therefore, prophets be careful. Oh prophets, you must live closely with God. Therefore God says, "Oh church, protect the prophets. For wicked serpents that are seeking to destroy the prophets have risen up. It is the spirit of Asteroth and the spirit of Jezebel." Oh, there is this wicked drink in the hands of this woman.

There is a big cup under her feet. The cup under her feet and the cup in her hand are filled with blood. This is she who stood against...she's the one who has been purposing in her heart to bind the prophets. So be very careful in the last days. Therefore be watchful. Therefore be watchful. The Lord says, "I will destroy this evil power that will rise against the prophets of God. Be careful in this year. Be careful in the coming days." God knows how to protect His prophets. God said another third group will rise up. A group that will stir the hearts of the people against the true prophets of God by stoning them. When the people of Israel came out of slavery into the promised land by the leadership of Moses, Moses was a man who walked close with God. He was a man who listened to whatever God said and spoke to the people. Everybody knew that God was with Moses. People saw God doing wondrous works through the hands of Moses.

They ate the miraculous food that came through the hands of Moses. They drank the water that was miraculously given. Their ears heard the testimony given by God concerning Moses. There was another group among the people of Israel who were stirring the people against Moses. There was a group of Korah and Dathan. They rose up and turned the people against Moses. They turned the hearts of the people against the prophet of God. They sowed lies in the heart of the people against the prophet of God. They sowed suspicion in the hearts of the people against the prophet of God. They taught them that if you follow this man you'll never enter into the promised land. This same spirit of Korah and Dathan is going to rise up in the last days. A group will rise up who will tell you, "Don't believe prophecies." A group is going to rise up that will turn the hearts of the people against the prophets even to stone them. Satan has purposed to raise up this spirit in these last days. They have been prepared to rise up very powerfully in these last days.

Therefore God's people: be watchful. God tells me to tell you, do not give place to the ways of the devil. The Holy Spirit reveals the third plan of God. God is preparing His Bride in these last days. The Lord's coming is going to take place in this world for two purposes. One, He is going to stamp His feet upon the head of Satan. The god of this world, Satan, is going to be cast to hell. The Lord Jesus is going to come again for the second purpose. He's going to come for His Bride and take her with Him. He's coming very specially for that purpose. The Bride is she who is the people group that are waiting for the coming of the Lord. It does not talk about any one particular church. God's people are in all churches. God will gather them all in one time and make them one church.

The Lord is going to come again to receive this group of people. It is a joy for the people of God for the coming of the Lord. But for Satan, it is fear of death. Because as soon as the Lord comes to this world, all the works of Satan will be bound. Satan will be destroyed. A judgment of death will be passed upon him. The second death of brimstone and hellfire, he'll be cast into that. Therefore the fear in Satan's heart concerning the last days has gripped him. He has purposed in his heart to delay the coming of the Lord. He is thinking of ways to prevent the coming of the Lord.

And the Lord is now revealing of a secret plan that Satan is making. His eyes are now cast upon the Bride of Christ. He has thought deceptively in his heart that if he can defile the Bride of Christ, he can delay the coming of the Lord. Therefore, in the year 2011 he is going to devise a wicked war against the churches, whether you are running a small church, a big church, whatever church you are maintaining. Whichever minister of God that is preparing the people for the coming of the Lord, Satan has prepared to work in your midst. He has purposed in his heart to defile the Bride of Christ.

We read about the virginity of the Bride of Christ. An ordinary virginity of a woman refers to her chaste life. But a spiritual person's virginity refers to her faith. Therefore Satan has planned to steal the faith of the people of God in this last days. So you're going to hear about a shaking that is going to come in the churches. Satan has stood up like a serpent with his mouth open, and he has wiggled around with his body and his tail the churches. He has desired in his heart and in his mind to shake the foundation of the churches. I see a snake that looks like a black, dark cobra. It lifts up his head in a very large manner. From his mouth comes a very...kind of a dark smoke.

With his body and his tail he's wiggling around the churches. And the thing that comes out of his mouth is spewing upon the churches. The Lord Jesus is showing that to me. Many foundations of the churches will be shaken. In this church, such things will take place in greater number. Therefore, protect your borders. Put, station watches around your church borders so that they'll watch over your church and see the glorious things God will do. Raise up prayer warriors who will pray day and night. If not, you'll not be able to protect your believers.

Many problems are going to come in the churches. The Lord says, you must get ready for that. When confusion and troubles come in the church, two things take place. The people will forget the preparation. The people will only talk about the problems. They'll forget to pray. They'll forget to read the Word. They'll

separate themselves into 2 or 3 groups, and they'll only talk about their problems. Their faith will be shaken. Such an evil group will rise up from within them to scatter their faith. Satan has already planted his own people among the churches. In this year, sleepers are going to rise up. They are going to work against the people of God. They're going to scatter the faith of simple people. They're going to sow poison in the faith of the people. They're going to work many wicked ways against the people of God in the church. They'll purpose in their heart that they will destroy the churches. They will even proclaim it boldly. They will say that I will certainly destroy this church.

They will show themselves as if they were working for righteousness. The Lord says, watch them and know them by their fruits. They are not a people who bring people to Him. They are the ones who will scatter the people. They will scatter the faith of the simple people. They will try to defile the virginity of the people which is their faith. The Lord of Hosts says, "I am jealous about My Bride." The Lord says, "If anyone destroys My body, I will destroy that person. Therefore watch your borders." The Lord says, "Oh, sprinkle the blood upon your foundations and upon your pillars."

The Lord says, "Commit yourselves into My hands." The Lord says, "Be watchful when Satan is sowing seeds into your heart to turn you against God." The Lord says, "My judgment is at the doorsteps of such people." Therefore, you be watchful. This year you must be very careful. You must have the zeal of God in your church. Any works that come to divide, [that are] divisive in the church you must be watchful and come against it. The false prophets rise up, you must be careful to watch. You must bind those evil spirits that will work against the prophets of God. Be careful to watch over at the scoffers who will scoff at the coming of the Lord. In this year, the works of Satan will become very, very bold. "Therefore," the Lord says, "You must be ready. The church must get ready," says the Lord. The Lord says, "Your eyes must be watchful and ready to see these things." The Lord says, "You must be watching with great [? sounds like exsiben]. In the midst of all this, I will do a wonderful work.

The power of My anointing will fill the church. These are the days, the beginning of the end of My anointing. These are the days where I'm going to release the seven spirits, the anointings that I have prepared." The Lord says, "Get ready and prepare."

We are going to pray right now. Wherever you are, you can pray now. Close your eyes and pray. God's Spirit is going to speak to you. Many of your eyes are going to be opened. God is going to reveal many visions to you explaining all these things to you. The Spirit of God is filling many of you now. God is going to fill you with many gifts. I'm able to feel a new power coming down. Let us all bow our head. If possible, kneel down now. Close your eyes.

The Lord wants to speak to you. He's going to speak to you concerning this new year. Before my eyes, the hand of the Lord lifted up. It is like fiery. It is like a fiery flame. It is a hand that is lifted up. "I will bless him with this hand. I touched the tongue of Isaiah and purified him. But right now I am going to sanctify my people from the crown of their head to the sole of their feet. I'm going to sanctify all their feelings. By My flame and by My fire, I'm going to cover them. They are experiencing that right now where they are. All those who are seeking Me, My hand is going into their homes. Right now My power is coming down. My finger is going to touch them. I'm going to touch their forehead. I want to touch their eyes. I want to touch their ears. Some of your tongues are going to be touched. I'm going to touch their hands. I'm going to put the fire in their hearts. Fire! I've come to put fire. I desire that you will burn right now." Many of you are feeling the presence of the power of God like never before. It's like a ball of fire coming down upon you.

Some of you are sitting and praying wherever you are. Some of you have been drawn from far away. Some of your eyes are being opened. Some of you are hearing the trumpet sound. Some of you are seeing a big eye. You see the eyelids like green in color, and it is turning slowly into red. It's like flaming fire, the eyes are appearing now. It is the eye of the Lord. It is the hand of the Lord. It is the tongue of the Lord. It is the voice of the Lord. You are hearing such a voice now. I see a sister, I see a brother now. Angels are standing by your

sides. They are dressed in gold, and they are holding your right hand and left hand and lifting you up. Your body is falling down. They are lifting up your spirit. As they are lifting you up, they are saying, "The Lord wants to speak to you." They are feeling their body being burned with fire and being sanctified. Little by little they're losing their feelings. They're floating in the spirit. God is going to show many visions to you now. I see the power of God coming down powerfully. I see angels standing in the midheavens. Among them I see a huge angel. Among them I see thousands of angels around them. The tallest angel among them has a sword in his hand. He looks at all the angels around them and says like this, "Go into all the churches that have been sealed by God. Stand in front, in the back, on all sides and protect the church." I hear the sound saying to them, "Open the doors of the churches so that they will welcome the seven eyes of the Lord, and the seven powers of God." As soon as this word is spoken, the angels flap their wings and go forward. They'll go upwards, and they're going into all directions.

They're looking for churches and going towards them. Their legs, feet are coming down. The Lord is going to do wonderful things. I hear a long trumpet sound. All those who are listening to these words, you are able to see this long sounding trumpet. Some of you are hearing the sound of a roaring of a lion. Some of you are able to hear the sound of burning like fire. The Spirit of the Lord is hovering in your midst. Some of you are able to see a shawl coming and covering upon you. It appears like cool on the left side and fiery on the right side. You're feeling the glory coming upon you.

God is filling you with a new glory. The Lord is touching many young people. God's power is coming down upon you now. I see God's power working in China. Three angels are flying swiftly towards there. The tall angel looks at me and says, "They are going towards China. They are going to destroy the evil curse that's upon them. They're going to bind and curse the evil spirit that is working there. They're going to open the doors for revival in many places. God's power is going to flow in the nation in many places. Many missionaries and ministers of God's feet are going to go to China. And before that the angels will go and open the doors."

The Lord is saying, "The time has come for God to be glorified there." Oh the presence of God is coming, coming abundantly. Again I see another sound coming in the heavens. Behold, I'm going to lift up this Angel TV. The sound of the trumpet that will rise up from here will go into all nook and corner of this world. Very soon I will destroy the head of the wicked serpent. I see the mouth of wicked crooks. The Lord says, "I will destroy them. Very soon a big thing will take place. Very soon a new thing will take place. From wherever you are hearing these words, you must pray for My channel. You must make a covenant with Me. You, Oh My servants, you must be prepared to pay a price. I need this trumpet. My Word must be proclaimed from here. It must move the mountains. It must destroy every ways that rise up. It must make the land to tremble. For that purpose, I've raised this up. From this many other branches will come out. Many more branches will come out. It will meet many nations. It will meet many languages. Very soon its fame and honor will spread everywhere." The Lord says, "I will likewise do it."

"Behold, behold, see My judgment," says the Lord. In many parts of the world, I see the angels of fire. They are standing upon many mountains. Some are standing above clouds. Even the clouds appear fiery. Their clothes are like fire. They are stretching out their hands. In their fingertips I see fires burning. Even all their hairs are like fire. They're going to go forth this year. You will hear of many dangers of fires in many places. Some cities will be burned. Some mountains and some hills will be burned. Many wildernesses will suddenly burn with fire. Many jungles will become barren. People will take many months and many days to put out the fire. And the winds and the air will be defiled by the smoke and the dust that will come out of the flames. Many peoples lungs will melt from within them. Their flesh will rot within them. The angels of fire will rise up. They will move faster than the winds. You're going to hear of many famous fires in this year. The Lord says, "I will begin them in this year. Look at the angel of the sea. Look at the weapon in their hands." I lift up my eyes and look at them. I see many angels standing in the seas. In their hands I see a kind of a sharp instrument. It looks like a spear. And they're lifting it up and piercing into the sea. At that time the seas turn blood. Many, many big fishes and the living things of the sea are dead. I'm going to bring changes in the waters. I will bring changes in

the waters. I will bring changes in the water currents. The cool waters will become warm. The warm waters will become cool. The living creatures in the water will be confused and die. They will come up to the shore and die in large numbers. The scientists of your land will be confused. They will be thinking that something is taking place in this world and will confuse themselves.

“Behold,” the Lord says, “This is the work of My hand and a sign of My coming.” Strange rays will come from the sky that eyes cannot see. In this year, it will come in large numbers. They began to come from the beginning of last year. People have still not discovered many things taking place on this earth – these rays are responsible. But in this year, the power and the strength of their fierceness will increase. Many germs that are doing good for the human body will die. These new germs will come. And these rays that will come out – they will destroy the equipments that man has invented. In the depths of the seas, even in the depths of those icy places, many men have hidden many weapons of mass destruction under them. Some clever nations have hidden such weapons. Some deceiving, clever nations have hidden them in the sky. These new rays will unleash those weapons. Because of this, there will be many dangers in the seas. Under the ocean, oil and blood will mix and float upwards. Many of these polar, antarctic, icy areas will melt and there will be dangers in the rivers. Many villages by the rivers will be swallowed by them.

The Lord says, “Many people and many places of inhabitants will be destroyed.” You’re going to hear of many dangers through the waters in many parts of the world. The seas will rise up with roar. They will make men’s hearts fail. These are going to be the works of My hands and My signs. Behold, pray for children on this earth. Give place for children to come to Me. You’re going to see many works against children in the coming days. Many children are going to be kidnapped. Many are going to be turned into wicked ways. Many are going to be addicted to wicked ways. Many are going to become wicked. You’re going to hear of many child criminals rising up. Before that, you must kneel down and pray for them. Wicked spirits in large numbers have come down to destroy children and the young people. The wicked spirits and idols worshiped during the period of the Canaanites are going to come upon this world one more time.

They are zeroing in on the lives of the young people and coming. You’re going to hear of many, many unclean news stories from the latter half of this year. Many young people are going to be murdered. You will see of many dead bodies of young people in the streets. Many young girls will be treated in a very lustful manner and thrown into the streets. Many places on the earth will be covered by sand. Many villages by the mountains and near the hills will disappear. The Lord says, “This will take place in many parts of the world. I’m going to shake the mountains. I’m going to shake the mountains. You are going to hear of this news in large numbers. For war: who is there who will cry before Me? In this year, war will begin to loom between two nations. It will appear like a small problem. People will not think it will come to a large war. But, people will focus on the little problem and it will increase their borders to war.

“Therefore,” the Lord says, “Bind such spirits of war.” Many spirits have risen up to bring accidents. Many such wicked spirits have risen up in the skies. Many inventions of man in the skies are going to drop. Many scientific inventions of man and spacecraft before they even lift up from the space station, they are going to be destroyed. Many weapons that have been hidden in the sky are going to drop down. As a result, many lives are going to be destroyed in many places. The Lord is asking, “Who is there who will pray against such things?” The Lord says, “Oh, this is a year of warning before My eyes. I desire that you must watch unto prayer. I desire that you must pray much. I desire that you pray that evil spirits will not be strengthened. I desire that you who purpose to pray will not be slackened in your prayer. I desire that prayer groups will rise up from all over. You must pray that you will escape from all this wrath to come. Pray that your nation will escape from all this. Pray that your faith will escape all this. Pray for the churches. Pray for My Bride’s preparation. Pray that the wicked one that is going to rise up: his hands and feet will be bound. Then I will send Michael on your behalf. I will send My angels with drawn swords. Behold, they will perform a big war on this earth. They will smash the heads of all those evil before they rise up.” The Lord says, “They will reduce their strength.” We pray before the Lord. Lord, fill this year with goodness. We thank You for all the things that You spoke to

Your children. Lord, protect Your children from all evil. Lord, You're going to reveal many things to your people. You're going to raise up many prophets from our families. You're going to fill our churches with the power of the Spirit. Lord, bless each and every one of them all who heard this. Continue to protect them and keep them under the shadow of Your hand. Keep them from all evil.

The Lord is now speaking one thing to me. "As you are speaking these words, I have opened many people's eyes. The many things that I spoke and revealed to you, many people have seen them. Some of them have smelled the burnings of the fire. Some of them have even smelled the dead fish. Some were taken in the spirit to the very places and were eyewitnesses. Before this program went on the air, I stationed many of My angels, and they have opened the eyes of many of My people. These words that you spoke they have clearly seen many things. Behold, I am planting My visions in My people. I am speaking to many people. I'm giving new experiences to many people. I'm going to cover My people and My church with a new power. Ask My people to get ready and wait in this year. They will be given new eyes of the Spirit. They will see seven dimensions. I'm going to fill the church with My eyes. I will cover them with the anointing of My eyes." The Lord says, "The seven eyes that I'm going to send into all the world are my seven spirits. Some of you are being filled in the spirit and are praying right now. Some of you are seeing two wings lifted up behind you. Some of you are seeing your eyes being turned into eagle's eyes. Man's eyes are moving both in the same direction. But the eyes of the eagle – both the eyes will look in two different directions.

Likewise, people who are seeing the left and the right side are rising up. I'm filling them with such an anointing. My new power fills My church. Zion rise up! Let it put on strength! The work that I'm going to do is great and big." The Lord says, "Tell them that My power will do all these things." Oh Lord, I thank You that You'll do it. Continue to bless each and every one of them. Cover them with the shadow of Your hands. Give them new experiences. Give them new preparations. Guard them that their faith fail not. In Jesus name I pray for them Heavenly Father, amen. May God continually guide you and bless you in your spirit and soul in this new year, amen.
