**How to Stay Pure and Be Ready for the Rapture - By Brother Elvi**

Our life here on earth is but a vapor a wisp of wind gone in the blink of an eye. The goal of our life here on earth is to achieve eternal life with God. How do we attain eternal life? We make peace with God. How do we make peace with God? We cannot do it only God can do it for us through The Holy Lord Jesus Christ.

It is only by our loving Father's grace and mercy and the sacrifice of our Holy Lord Jesus Christ may we attain peace with God. We are truly incapable of attaining peace with God by ourselves. God is holy we are not. So how do we clean ourselves up?

We cannot do anything without The Lords help (John 15:5) Only with the help of The Holy Lord Jesus Christ can we begin to attempt to clean ourselves up so we may one day in the distant future stand in front of our Holy God.

Where do we start? Good question very good question. We start by developing a close personal relationship with The Holy Lord Jesus Christ. How do we do that? We truly humble ourselves in front of our Holy God. We get on our knees and ask The Holy Lord Jesus Christ to please have mercy on us, to please help us to tell him we are truly helpless without his help. We cry out to him in agony and pain for his help. Please Holy Lord Jesus help me for I am nothing but a wretched sinner; please help me please help me for I am incapable of helping myself. Have mercy on me Lord. Help me help me please Lord. Cry out as if your life depended on it for it surely does.

If in the eyes of the Lord you truly humble yourself and are truly sincere he will have mercy on you and begin to lead you and guide you on to the path to peace with our Holy God.

Lets talk about sin for a minute here. The first sin was **pride**. Most people think the first sin was disobedience. **But pride is the root of all sin**. What is pride? A high opinion of ones dignity, importance or superiority. Who was the first to commit this sin Lucifer.

- We must ask The Lord to please take all pride form us. I must warn you this a process. Pride is deep rooted in us and only the Lord can deal with our pride.
- Next we must ask The Lord to help us with our doubt and unbelief. Believe me this is also a process as we all will struggle with doubt and unbelief all the days of our lives.

This is not going to be easy it will be the hardest thing you have ever attempted in your life. There will be days where you think this is impossible but remember nothing is impossible with God. What is important to God in our walk with The Holy Lord Jesus Christ. What will help us to attain peace with God?

1. First we must **put God first in our lives above all else**. I can't tell you how important this is to our heavenly Father. Without God we would never have been born. If God stopped thinking of us for just one second we would cease to exist.

2. Next **we must be obedient to God and live our lives according to his holy word**. This is for our own good; we are our own worst enemy. We bring on the calamities in our life by being disobedient to our Holy God.

I don't have to tell you how hard this is we all struggle with obedience all the days of our lives. We have been given the gift of repentance. how many of us use this gift? We should be in continual repentance. There is no such thing as too much repentance.

We need to pray continually; prayer is so important. Never mind every day but every chance we get every day. When you get to heaven you will find out how important prayer is until then please pray continually for your own good.

3. Next we must accept the grace and mercy that only God can give us through The Holy Lord Jesus Christ.

But above all we must trust The Holy Lord Jesus Christ.

4. We must then ask The Holy Lord Jesus Christ thru his grace and mercy to begin the process of cleansing our heart.(psalm 51:10). To take all the impurities out of our heart. Up to this point if you thought boy oh boy this is difficult. You have not seen anything yet now this is truly a process. You will be tested and go thru much pain and doubt.

You will say what is happening to me. But trust The Lord if you persevere and have faith and don't give up The Lord will help you clean up your heart.

Here is how The Holy Lord Jesus Christ has taught me to confess and repent my sins which I do many times a day and the cleansing and purification process he has shown me. This is very important to The Lord. It was shown and taught to me over many months.

5. Holy Lord Jesus Christ please forgive every sin I have committed in my lifetime from the second of my birth to this very second. I completely cover these grievous sins with your holy blood the blood of The Holy Lord Jesus Christ and I accept full and total responsibility for all of these grievous sins. I then wait on the Lord till he tells me he forgives all my sins.
6. Next I do a sincere repentance. I keep repenting till The Lord tells me he accepts my sincere repentance. Sometimes this may take quite awhile.

### **Cleansing and Purification**

***Holy Lord Jesus Christ please cleanse and totally purify my heart to perfection with your precious blood and holy fire.***

***Holy Lord Jesus Christ please cleanse and totally purify my soul with your precious blood and holy fire.***

***Holy Lord Jesus Christ please cleanse and totally purify my mind with your precious blood and holy fire.***

*Holy Lord Jesus Christ please cleanse and totally purify my flesh with your precious blood and holy fire.*

*Holy Lord Jesus Christ please cleanse and totally purify all my record keeping books in heaven with your precious blood and holy fire.*

*Holy Lord Jesus Christ please cleanse and totally purify my robe and my gown in heaven with your precious blood and holy fire.*

Well that is it I hope and pray that this helps everyone who reads this word in his or her walk with The Holy Lord Jesus Christ and brings you closer to peace with our loving and holy eternal God.

This word was written under the complete direction of The Holy Spirit. Thank you so much Holy Spirit. I give all praise and glory and credit to our Holy Lord Jesus Christ. I love you Holy Lord Jesus and I thank you so much for having such love and mercy on all of us. (John 15:5) I can do nothing without you Lord.

**Brother Elvi's "Revelaciones de Santidad"**

The Father said, "Servant, You have to be ready at all times because I'll take my people at any time and you HAVE to be prepared because at any time I can take you up"..

He started to repent then The Father said, "Don't be scared; but be prepared at any time because at whatever time I'll take up my people from the earth"

We can't leave for tomorrow what GOD wants us to do today

He brought up the story of the woman caught in adultery and JESUS' response to it.. Brother Elvi, pointed out that when we repent we "go and sin no more".. that it's important that we depart from those sins.

A lot of Christians are getting attacked by the devil and his demons right now

Ask The LORD to send his angels to cleanse your house from demons with Holy Oil

In case of an emergency, ask The LORD Himself to protect you.. demons run away from The LORD because they know GOD doesn't play games- demons fight with angels but He created them.

The LORD still has control even in the Tribulation. Satan cannot attack or kill anyone without The LORD'S permission- JESUS has the keys to Death and Hades (Revelation 1:18)

Hold on to The LORD and ask Him for Strength every day

The reason why someone may feel depressed is cz they're depending on their own strength and not asking The LORD to strengthen them

If you're sick ask The LORD to pass His Hand through the part that hurts cz on his hands are the wounds that heal you.

Brother Elvi testifies that when a Brother was sick with a hernia? that was growing, Brother Elvi said he wouldn't lay hands on him and pray but asked The LORD to place His Hands on the sick Himself and He did.. the Elvi said that when JESUS laid his hand on the sick people at the church, everyone fell to the ground without no one touching them and when JESUS touched that man fire and electricity came out of His (JESUS') hand .. that man was healed from His hernia.

The LORD also healed a man who was HIV Positive.. the man went to the doctor and the doctors said he was HIV negative

Having trouble seeking The LORD- fast! If you fast you'll see that your flesh gets below your spirit. A lot of people are having spiritual fights or struggling spiritually because they're not seeking GOD, they're not fasting, reading the Bible or praying till dawn. Ask The LORD for Strength to do this. He's Holy, The Spirit is Holy, The Father is Holy- He wants us to be Holy.

It's impossible to live Holy in your own strength- you must ask GOD for His Strength- for anything! To Fast, Pray, Read your Bible, etc

Brother Elvi said that if your husband falls into temptation and sleeps with another woman, don't divorce him but pray to GOD cz that decision doesn't belong to you. Pray to GOD that He gives you a new heart so you can forgive your husband. Same thing with husband.. don't get a divorce so quickly; pray about it first. If The LORD doesn't want that person in your life, He'll allow that person to leave you or He'll take the person out Himself.

You can't think right when you're in the flesh. You have to think by the Spirit cz The LORD is Spirit.

We gotta fast, pray and study The Word so that The Holy Spirit can control our sinful flesh and guide us; Seek The LORD in every decision you make.

Palestenians and arabs are children of Ismael.

GOD is over your husband (spouse). If your spouse tells you do something that is of sin (or not from GOD), you follow GOD not your spouse.

100 souls are getting saved bcz of Brother Elvi's videos.

Ask GOD to heal you. Don't go around telling people you're sick and sometimes ppl go and tell people from the church to pray for them but sometimes they forget. Just ask GOD to heal you by His Wounds.

He can't use you the way He wants to if you don't have a pure heart, although He can use anyone but it wouldn't be the same. During the purification process, Brother Elvi was tested by The LORD on things that used to please Elvi's flesh but not wouldn't delight The LORD.

TV is an instrument of satan. satan contaminates our heart by using tv. Only thing that's in tv is adultery and fornication. satan appeals to one's flesh by tv. (Your eyes need to be full of light and they can't be while you're watching tv.) Watching tv is friendship with the world. Even the news; it's all bad and some gossip.

The Tribulation is about to begin; the church is almost in the air.
